Report

Department of Mechanical Engineering conducted a Seminar on "Publication Methodology" on 07.03.2023. The resource person is **Dr. V. Balasubramaniam Principal, Kurinji College of Engineering and Technology**. This programme was started at 11.00 am with welcome address by HoD /Mechanical, followed by the Guest Introduction.

All the students and Faculties of mechanical engineering department have actively participated in this Seminar. Then the session was handed over to the Guest. He delivers some Annexure Journal List and How to find the Research Gap of projects, How to increase "h" index. During his lecture, he share his Twenty years of experience in Publication Methodology. Some Photos of the Events have shared below for reference.

Outcome of Value Added Course (VAC): At the end of the Course, Students can able to

- Knowledge about how to increase the citation and h index
- Get Knowledge from research methodology and way of publication method.
- Learn a life sciences field that focuses on patient-oriented outcomes.
- Get knowledge to be a tool to contribute to and build the developing knowledge in a specific field of study.
- Learned outcome that an investigator considers to be the most important among the many outcomes that are to be examined in the study.
