To create productive, digestible feedback, make sure it's clear, empathetic, and actionable. Give examples of when their work or behavior wasn't ideal, and provide clear, achievable goals for follow-up. Also, point out accomplishments and emphasize why the feedback is important. Keep disseminating your brilliant work. I cannot thank you enough for your time, for the suggested reading and for the very helpful and thought-provoking session. It was very informative and I feel I can use this with my students and staff. Excellent workshop – learned a great deal and inspired to learn more. This workshop was beautifully executed to bring together research & practice. I appreciated the final discussion regarding implementation.

A five days Faculty Development Program (FDP) on "**PROFESSIONAL ETHICS**" at Seminar Hall on 05.12.2022 to 09.12.2022. The Resource persons were : **Mr. Abhu**, Manager, UNIQ-MEP, Trichy. **Mr. David Ubaharasamy**, Executive, UNIQ-MEP, Trichy.

To create productive, digestible feedback, make sure it's clear, empathetic, and actionable. Give examples of when their work or behavior wasn't ideal, and provide clear, achievable goals for follow-up. Also, point out accomplishments and emphasize why the feedback is important. Keep disseminating your brilliant work. I cannot thank you enough for your time, for the suggested reading and for the very helpful and thought-provoking session. It was very informative and I feel I can use this with my students and staff. Excellent workshop – learned a great deal and inspired to learn more. This workshop was beautifully executed to bring together research & practice. I appreciated the final discussion regarding implementation.
